Dear Author(s),

On behalf of the organizing committee and after reviewed by the scientific program committee, we are pleased to inform you that your paper is scheduled as following:

Paper No: 112

Title: Improving the Accuracy of a Magnetic Bio-Sensor – A Novel Approach

Authors: WY Chung and R. F. Ramezani

Session: Oral - International Section

Presentation No: A171-112

(Lecture Hall A, Aug 17, session 1 - 10:20-12:00)

With the presentation no, you can find the detailed presentation time and location of your paper in the final program, which will be announced by July 25 on the conference website. Should you have any enquiry, please feel free to contact us via this e-mail. Looking forward to seeing you in Taipei.

*For **oral** presentation of **GCBME** & **TSBE** sessions:*

- Presenters are allotted a 15 minute time slot
- Presentations are strictly limited to 12-minute talk plus a 3-minute discussion.

*For **oral** presentation of **MOST** Project:*

- Presenters are allotted a total 10 minute time slot (including discussion)

*For all **poster** presentation:*

Please prepare your poster to fit the usual 2.4m high x 1m wide poster panel. The poster should be A0 size in portrait format, measuring 841 mm width x 1189 mm ht. maximum.

Important Notes for Registration and Payment:

■ *For **GCBME** & **TSBE** participants:*

- You are required to register your attendance to present your paper.
- Due to previous technical problem of the payment system, presenting authors who are unable to make the payment before due date will be allowed to pay the fee in **early-bird rate on site**.

■ *For **MOST** participants:*

Registration for the GCBME conference is welcome but not required.

Sincerely,

Scientific Program Committee,

GCBME 2016
